Grow Your Account Relationships

You know your members' details: the account relationships that they have with you, the transactions they conduct, and their monthly spending patterns. Use this information to drive new business and growth.

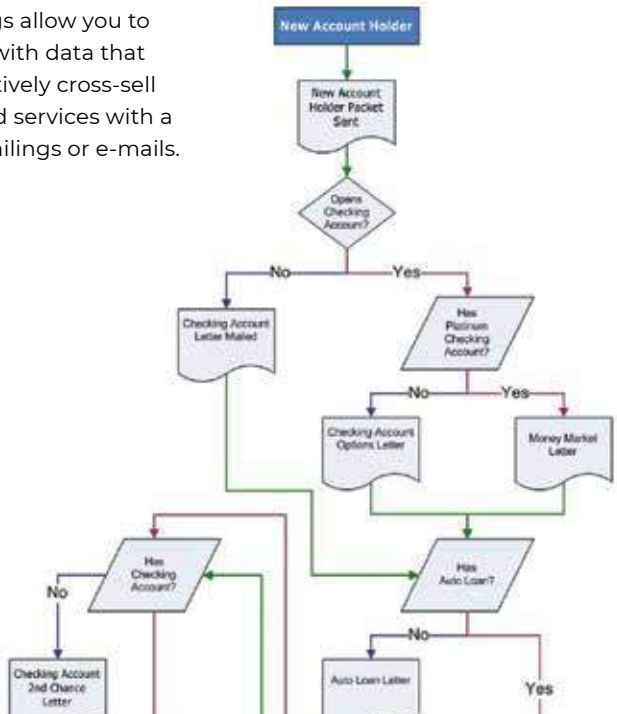

**You can with DataFlex!
And, at a price you can afford!**

DataFlex merges advanced analytics, a drag and drop interface, and graphical visualizations enabling you to analyze the account relationships, account balances, and demographic traits of your members to make offers for products that consumers actually want.

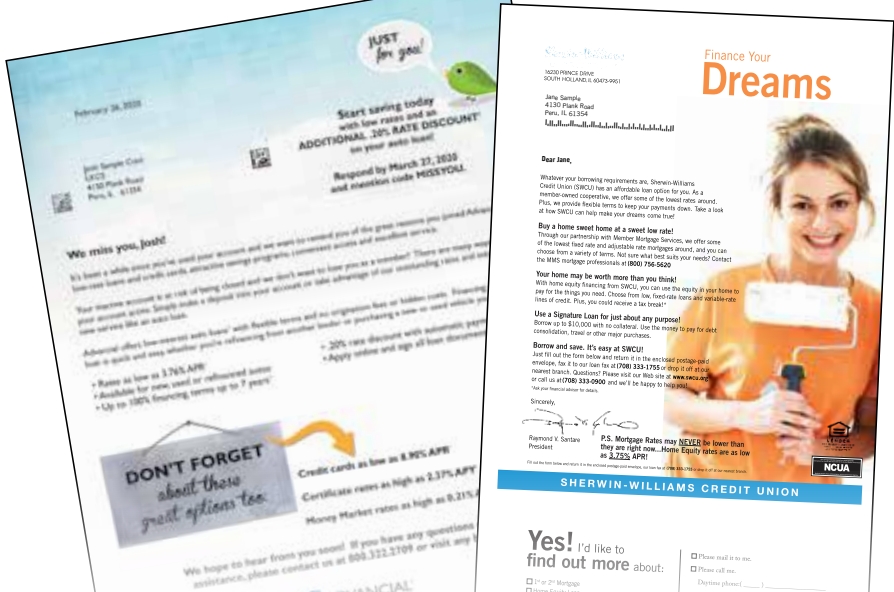

AUTOMATE YOUR MARKETING WITH A HIGHLY EFFECTIVE SERIES OF DATA-DRIVEN MESSAGES.

DataFlex Matrix Mailings allow you to target specific groups with data that you already have. Effectively cross-sell additional products and services with a series of automated mailings or e-mails.

Did you know? Data-driven organizations are 23 times more likely to acquire customers than their peers.

DATAFLEX MATRIX MAILINGS ARE PERFECT FOR:

» Onboarding Campaigns

Welcome new members and cross-sell additional products and services.

» Reboarding Campaigns

Remind non-engaged members about your advantages and send targeted offers for additional products and services.

» Indirect Lending

Now's your chance to introduce yourself and explain how you can benefit members beyond the car loan.

» Mergers & Acquisitions

Maximize retention of acquired members with a coordinated matrix campaign.

» Other Opportunities

Matrix campaigns are effective to promote investment services, mortgage and insurance relationships, and other services.

Contact your sales representative today at **866.552.7866** for more information and a demonstration.

Provide a Better E-Statement Experience!
